

Do You Use Viagra?

Contact us about a low cost alternative.

Sildenafil, the active ingredient in Viagra, is now available in a generic 20mg tablet. Call a clinical case manager at (857) 233-5837 to request a script from your doctor and **start saving more than 60%.**

For immediate service, call the MenMD Clinical Department:

**Be Informed.
Be Confident.**
